Registration Information

Columbia Gorge All Ages, All Abilities Ping Pong Fun

At Western Antique Aeroplane and Automotive Museum (WAAAM)

Adjacent to the Hood River airport

Saturday, March 20th, 10am-6pm

Join us for a day of ping pong, vintage automobiles and airplanes, and award-winning pulled pork. There will also be an exhibition game played by the Northwest's top table tennis pros, a raffle for a helicopter ride, and a fabulous silent auction including a scenic flight, a turn in a glider, a case of local wine, local art, and an annual WAAAM family pass among other things.

REGISTRATION: To pre-register please fill out the form below by March 15th. Pre-registration helps the day run smoothly. Day of registration will be from 9am-10:15am.

Check in by 10:15. First games start at 10:30.

Note: Pre-registered players will be notified by email of their first round a few days before the tournament.

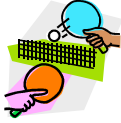

BASICS: Everyone is guaranteed at least three games in each division, winner of each group moves on to next level. Everyone plays as an individual; however, you can also play for your business or school (points earned by most games won). So round up your co-workers and/or classmates to increase your organizations odds of being the WAAAM It champion!

AGE CATEGORIES: Pings: Under 12. Pongs: 13-18. Open: 19 and up. Masters: 60 and up.

LEVELS: Beginner: *I play, but not very much.* Intermediate: *I love a good friendly round of basement ping pong. (If there's a ping pong table at home, you're probably in this level.)* Expert: *I played in a USATT tournament (any level) once or more.*

RULES: Games will be to 11 points (you must win by two), serve alternates every two points, and serves must be made from an "open-palm toss." Under 12 division will not be required to make "official" serve, but high school and above will play by official rules (they'll be posted at the event or you can check them out beforehand at <http://www.ping-pong.com/rules.php>)
